Mission Statement

To glorify God by equipping students with the tools necessary to pursue a lifetime of learning so that they may discern, reason, and defend truth in service to our Lord, Jesus Christ.

The Covenant School is a Christ-centered, classical, college-preparatory K-12 institution.

Covenant is accredited by SAIS and Cognia and is a member of the Texas Association of Private and Parochial Schools and the Society for Classical Learning.

The Covenant School Distinctives

The Covenant curriculum is a soul-shaping endeavor in which students learn to thoughtfully engage each other, their teachers, and great texts in the pursuit of all that is good, true, and beautiful.

Latin: All students must take at least 2 years of Rhetoric School Latin and are encouraged to continue through AP Latin. Students take the National Latin Exam annually, regularly winning the silver Maxima Cum Laude and gold Summa Cum Laude awards.

Schedule: The Rhetoric School operates on a modified block schedule, with students taking seven courses meeting for a total of 240 minutes each week. Due to the senior thesis and rigorous course load, seniors are encouraged to schedule a study hall.

Declamation: Students memorize and perform a four-to-five minute historical speech or Shakespearean monologue each year.

Junior Advanced Ethics: Juniors spend their second semester researching, writing, and presenting a controversial ethical topic of their choice. Four parts compose the process. First, students submit a prospectus outlining the topic, its debatable nature, and the authorities/sources needed to answer the question. Second, they begin to research these sources and submit an annotated bibliography summarizing and justifying each source. Third, they write and revise a research report. Finally, they condense their research into a 7 to 9 minute speech and present it before the class.

Senior Advanced Thesis: Building from the knowledge and process learned in their junior Ethics course, seniors spend their final year researching and writing a 15-page persuasive paper on a topic of their choice. The Senior Thesis project culminates in a 30-minute oral defense before a panel of judges.

Arts: The Fine and Performing Arts are considered a vital part of a classical education. A majority of students surpass the required fine arts credits and continue to pursue both academic and extracurricular arts offerings in Studio Art, Architecture, Theatre and Chamber Choir.

Covid-19 Response: The Covenant School was able to conduct school in person for the entirety of the 2020-2021 school year with minimal disruptions. All classrooms were equipped with KUBI Telepresence Robots to give students full access to classroom instruction while quarantining at home.

School Community

The Covenant School provides a classical, Christian, and college-preparatory education for grades K-12. The Covenant School presently enrolls 719 students from the city of Dallas and surrounding suburbs.

Academic Program for the Class of 2024: (47 Students)

Students are awarded the diploma of graduation upon successful completion of the following:

History	4.0 credits	Latin	2.0 credits
Literature	4.0 credits	Fine Arts	2.0 credits
Mathematics	4.0 credits	Electives	1.0 credits
Science	4.0 credits	Physical Education	1.0 credits
Theology	4.0 credits	Total	26 credits

Course Placement

Students are placed in courses based on academic ambition, test scores, and work ethic in previous courses. Due to the demands of extracurricular athletic, fine arts, and community service activities, juniors and seniors are encouraged to limit their number of AP courses to two per year.

Course Levels

Courses listed with no descriptor are Honors level. Their pace and rigor are elevated in line with other classical Rhetoric schools including an emphasis on research, writing, problem-solving, and oral presentations in all subject areas.

Courses described as Advanced are taught at a High Honors level. Designed for students showing greater aptitude or interest in a subject area, these courses require more independent work and an even deeper level of understanding.

Class of 2024 Course Offerings

All courses are taught for two concurrent semesters unless otherwise noted
