THE COVENANT SCHOOL DISTINCTIVES

The Covenant curriculum is a soul-shaping endeavor in which students learn to thoughtfully engage each other, their teachers, and great texts in the pursuit of all that is good, true, and beautiful.

LATIN: All students must take at least 2 years of Rhetoric School Latin and are encouraged to continue through AP Latin.

SCHEDULE: The Rhetoric School operates on a modified block schedule, with students taking seven courses meeting for a total of 235 minutes each week. Due to the senior thesis and rigorous course load, seniors are encouraged to schedule a study hall.

DECLAMATION: Students memorize and perform a four-to-five minute historical speech or Shakespearean monologue each year.

JUNIOR ADVANCED ETHICS: Second-semester juniors submit a prospectus and annotated bibliography on a controversial, ethical topic of their choice. They research and write a persuasive essay which they then condense into a 9-minute speech for their class.

SENIOR ADVANCED THESIS: Building from the knowledge and process learned in their junior Ethics course, seniors spend their final year researching and writing a 15-page persuasive paper on a topic of their choice. The Senior Thesis project culminates in a 30-minute oral defense before a panel of judges.

ARTS: The Visual and Performing Arts are considered a vital part of a classical education. A majority of students surpass the required fine arts credits.
